

PENTECOST

Hello
children

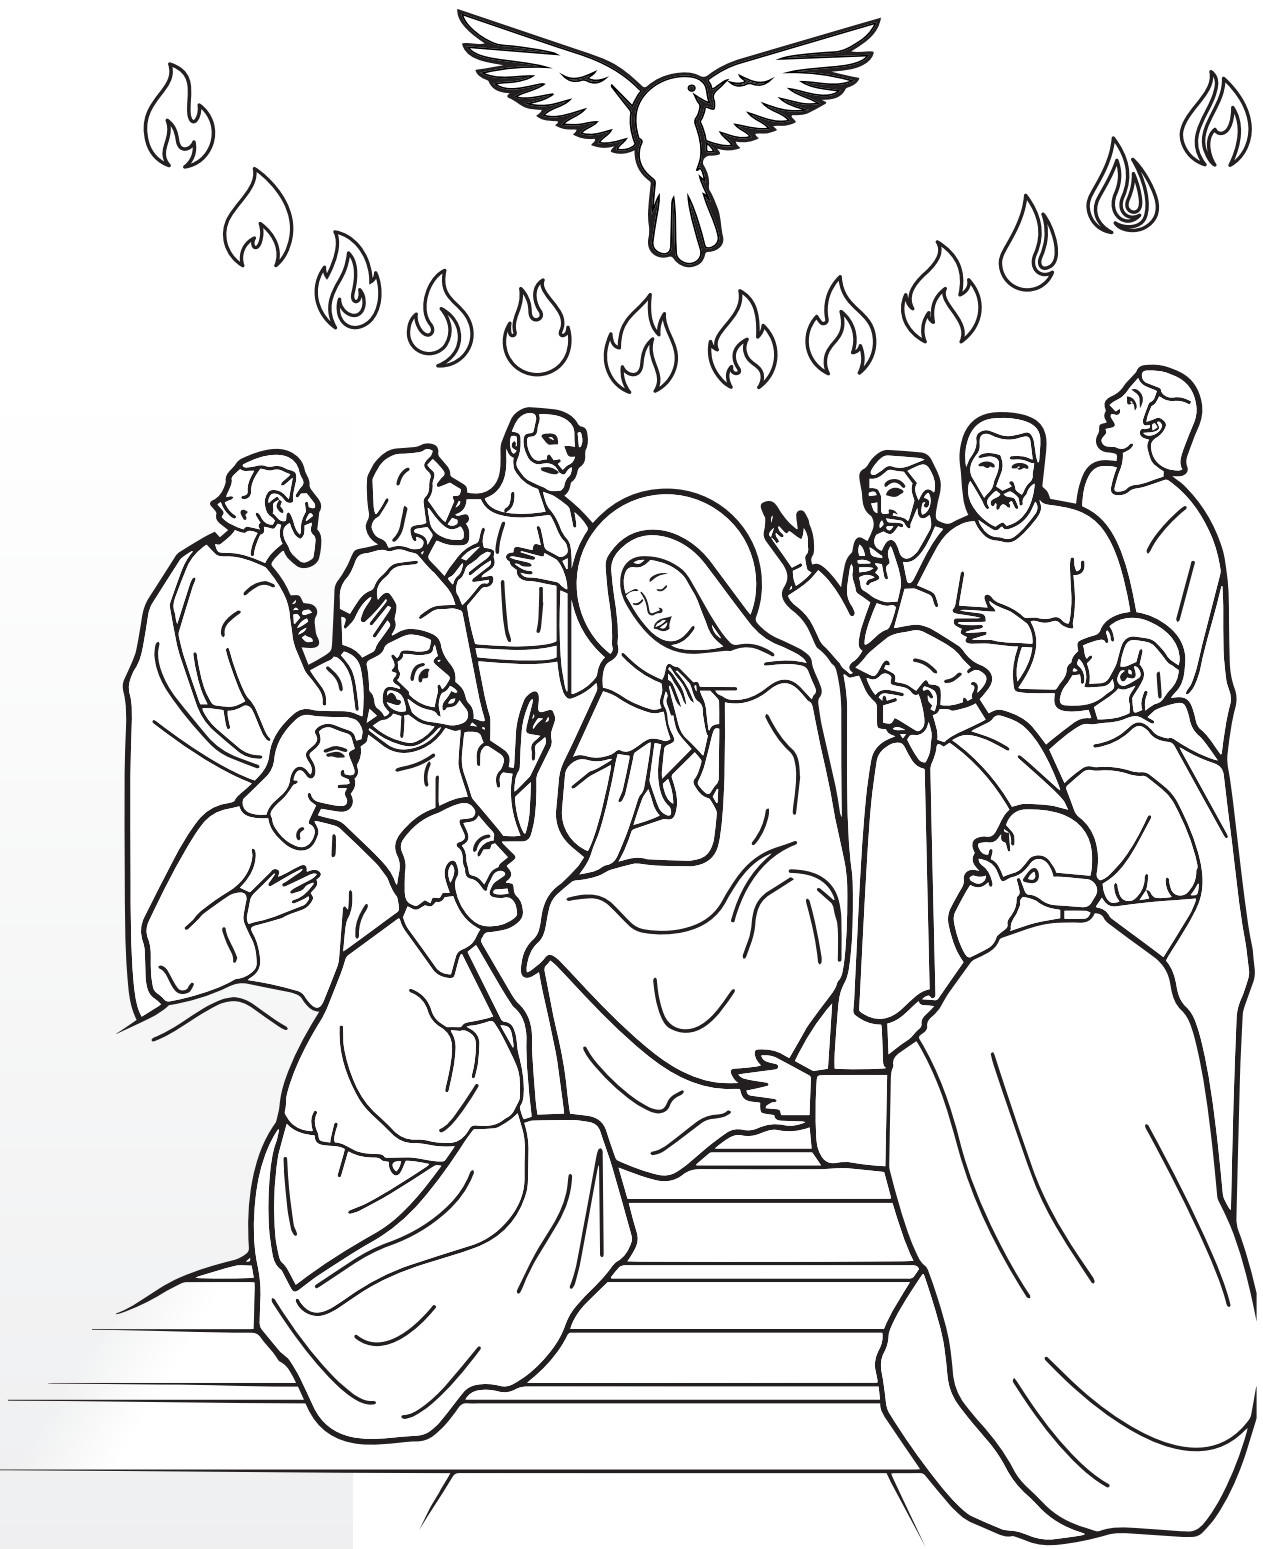

This month we will celebrate a special day called Pentecost. After Jesus came back to life and went up to heaven, something extraordinary happened.

Remember when we talked about Jesus' Easter dream? Well, after Jesus went back to heaven, his friends were waiting in a room. They missed him a lot and were feeling sad. Suddenly, something amazing happened! It was as if a mighty wind came rushing into the room, but it wasn't a regular wind; it was God's Spirit! It filled the room and made everyone feel so warm and happy inside.

Then, something incredible happened to Jesus' friends. They started speaking in different languages. It was like they had learned all the languages in the world in just one moment. People from all over, who spoke different languages, heard them speaking in their own language. Imagine that!

Everyone was so amazed and wondered what was happening. But Peter, one of Jesus' closest friends, stood up and explained. He told them that this was God's special gift, the Holy Spirit. It was like a superpower that God gave them to help them share

His love with everyone, everywhere.

From that day on, Jesus' friends went out into the world, spreading the good news about Jesus and how much God loves us. They did amazing things, like healing sick people and helping those in need. It all started on that wonderful day of Pentecost, when God's Spirit filled their hearts with love and courage.

So, whenever you see a gentle breeze or hear the wind whispering, remember the story of Pentecost. It's a reminder of how God's love and power can fill our hearts and help us do amazing things too!

God bless, *Toby*
