

Hello girls  
and boys

## A Warm Welcome for Everyone!

**T**oday, let's talk about something very special—hospitality. That's a big word, but it really means something simple: making others feel welcome, included, and loved.

Imagine you're at school, and there's a new student in your class. They might feel a little nervous because everything is new to them, but you can make a big difference! How? By smiling, saying hello, and asking them to play with you during break time. That's hospitality! You're showing them that they belong, just like everyone else.

In the Bible, Jesus teaches us a lot about hospitality. He was always welcoming people, especially those who felt left out or lonely. He didn't care if someone was rich or poor, young or old—everyone was important to Him. Jesus made sure that everyone felt included and loved.

He shared meals with people, talked to them, and listened to their stories. He showed that being kind and welcoming is one of the best ways to show God's love.

You can do the same! When you see someone sitting alone, invite them to join you. When someone feels sad, be a good friend and cheer them up. When you're at home and a guest comes over, you can help by greeting them with a smile. These little actions might seem small, but they have a big impact. You're spreading love and making others feel like they belong.

Remember, everyone deserves to feel welcome. Whether it's a new student at school, a neighbour in your community, or someone who looks different

from you or speaks a different language to you, your kindness can make their day brighter. By being a good friend and including everyone, you're helping to create a world where everyone feels at home.

So, let's make a promise today to be more like Jesus. Let's spread hospitality and kindness wherever we go. Together, we can create a place where everyone feels loved, included, and welcome! Inclusion, not exclusion, is the way forward. ✂

God bless you all!

Toby
