Saint Cecilia

Name: St Cecilia

Born: Around 200 AD

Died: Around 230 AD

Feast Day: 22 November

Patron Saint of: Musicians and singers

Life Story: St Cecilia is one of the most famous martyrs of the early Christian church. She loved God deeply and is often remembered for her devotion to music. According to tradition, St Cecilia sang to God in her heart even when she faced difficult times. She is known for her bravery in keeping her faith, even when it was dangerous to do so. Her love for music and singing has made her the patron saint of musicians and singers. Every year on her feast day, people around the world celebrate St Cecilia by making music in her honour. Even though she lived almost 2,000 years ago, her story continues to inspire people to use their talents for good.

I hope you enjoyed your mid-term break. November is a special month when we remember St Cecilia, the patron saint of musicians and singers. St Cecilia used her gift of music to praise God and inspire others. Just like St Cecilia, each of us has special talents and abilities that we can use to bring joy and help others. Whether you love to sing, play an instrument, draw, or help your friends, remember that your gifts are precious.

This month, let's celebrate St Cecilia by using our talents to make the world a brighter place!

God bless!

Toby
